# Our Vision

Our vision is to always visually execute what you imagine. We do this by being innovative, reliable, and collaborative.

# Our Mission

Our mission is to be content leaders in the Jamaican Film and television industry by disrupting the current market place creating, collaborating, and placing youth first.. We train our team and network with industry leaders to remain current.

A black and white photograph of a film set. In the foreground, there are several tripods and camera equipment. In the background, two people are visible, one standing and one partially obscured. The set is lit with professional lighting equipment, including a large softbox on the right. The overall scene is a professional production environment.

# About Us

## The Company

M-One was founded in 2019 with a clear purpose: to provide groundbreaking and novel approaches to Video Production, Live Recordings and Content Creation. What started off as a dream by **Saeed Thomas** and **Javae Munroe** was reimaged to enhance and further elevate the Jamaican Entertainment Industry.

This reimagination began with a formidable partnership among the following:

- **Solomon Sharpe** and **Richard Blair** - Industry veterans with a wealth of experience in event management and brand execution. Owners of Main event entertainment group, Solomon and Richard have successfully grown Main event to now be on the stock market.
- **Valon Thorpe** - A highly sought after digital marketer who has led his company Mystique to be one of the largest digital marketing agencies in Jamaica
- CEO **Saeed Thomas** - An award-winning director/producer who has honed his craft in both film and live television COO, **Javae Munroe** . Multifaceted, Javae has technical excellence and experience in broadcast and television production
- COO **Javae Munroe** - A Director and one of the region's leading Post Production personnel, whom also has proven track record of reliability and technical proficiency in broadcast and television production.

# Meet our CEO

# SAEED THOMAS

Saeed Thomas' journey into the creative arts began in childhood as a matter of instinct. Channeling his passion into a career, Saeed began working in the field professionally in 2012 as a stage technician, backstage assistant and audio tech. As his journey progressed, he also delved into Stage Management and audio for film and television. He has collaborated on projects with renowned international companies and organizations such as Hulu, UNICEF, Concacaf, and IAAF.

Saeed is the co-founder and Managing Director of M-One, previously known as Cine-core; a Jamaica-based video production Company. A recipient of the 2020 Prime Minister's youth award for Arts and Culture, Saeed has worked on various short films such as *Enhanced*, *Kinto*, *Cross My Heart* and *Flight* and was selected to be a participant of the Clermont Ferrand 2020 Euro Connection programme with his script, *Black Girl In The Ring*. His most recent produced work is a Jamaican short drama, *Sugarcake*. Saeed is a graduate of the University of the West Indies, Mona where he obtained his Bachelor of Arts degree in Entertainment and Cultural Enterprise Management.

## Meet Our COO

# JAVAE MUNROE

Starting off as a video Editor, Javae's dedication and meticulous attitude stems from his background in Programming & Networking. With a proven track record of reliability and technical excellence in Broadcast Television Production, Javae has risen through the ranks in the Jamaican Film & Television Industry. He has worn many hats as his career progressed: Technical Manager, Director, Producer, Colorist and Post Production Supervisor on a vast number of projects, including: Chronixx Cool As The Breeze Live Stream [*Tech Manager*], Wray & Nephew "Fi Wi Culture" TVC [*VFX/Post Prod Supervisor*], Scotiabank App and Seniors TVC [*Director & Post Production*], Jamaica Rum Festival Live Stream [*Tech Manager*] etc...

Javae worked as Graphics Op [*Chyron Hego, Roxx Xpression*] and Playback Operator [*DYNO, EVERTZ, 3PLAY*] on major events such as CBS Sports NCAA Jamaica Classics, CONCACAF Football Championships, Red Stripe Premier League, IAAF World Challenge in Jamaica and the ISSA Boys & Girls Track & Field Championships.

Co-Founding the video production company Cine-Core with Saeed, Javae has collaborated with international clients including Red Bull, American Express, Flow, Huawei and Digicel and has supervised edits for award winning short films such as KINTO.
